About This Content

The Ultramarines Pack adds the iconic Space Marine chapter to **Warhammer® 40,000®: Dawn of War® II: Retribution™** with eight unique models for the major multiplayer units as well as new color schemes for the others. The Force Commander is replaced by a Ultramarines Captain complete with roman style helmet and Ultramarines livery, the Tactical Marine squad all sport the iconic Ultramarines white helms and livery. The Dreadnought is decorated with a banner displaying the corpse of a Tyranid creature. Additionally, the Scout Squad, Assault Marine Squad and Terminators all receive similar chapter-specific revisions. The Space Marine vehicles also get a visual makeover with this DLC pack, adding custom designs and emblems to differentiate them from the standard vehicles.

Note to those that are long time fans of the game and considering this as a skin for the Last Stand game type. This does not change the model of either the captain or the dreadnought you can summon in Last Stand, which is a shame because both look amazing!
